INTERNSHIPS

Information Technology Institute (ITI)

Present (Graduating at the end of May)

Jan 2026 -

Front-End Cross Platform Mobile Development

- Intensive training on building high-performance mobile apps with React Native.
- Mastering cross-platform deployment, state management, and native module integration.
- Developing production-ready components focusing on smooth UX and performance.

Egypt Digital Pioneers

Nov2025 - present

Initiative(DEPI)

Front-End Web Development

- Participating in an intensive Front-End Development program.
- Enhancing skills in modern web technologies and software engineering practices.
- Working on real-world projects and collaborative development workflows.
- Strengthening problem-solving and technical communication skills.

National Technology Institute (NTI)

Nov - Dec 2025

Front-End Web Development

- Deep dive into modern Front-End architecture using ES6+, React, and CSS frameworks.
- Developed responsive layouts and solved complex cross-browser compatibility issues.
- Applied industry best practices for clean code and modular development.

Information Technology Institute (ITI)

July 2025

UI/UX Design

- Studied user-centered design, wireframing, and high-fidelity prototyping in Figma.
- Created interactive prototypes and design systems for web and mobile.
- Focused on usability testing and accessibility standards.

TECHNICALSKILLS

Languages:

- HTML5
- CSS3
- JavaScript (ES6+)
- TypeScript

Frameworks:

- React.js
- Next.js
- React Native

Styling:

- Tailwind CSS
- Bootstrap

Tools:

- Git
- GitHub
- Figma
- VSCode

PERSONAL SKILLS

Problem Solving
Team Collaboration
Adaptability
Leadership
Time Management

PROJECTS

Cyberpunk Website

Mar-2026

- Developed a fully responsive website using React.js.
- Built reusable components and modern user interfaces.
- Implemented dynamic navigation and interactive user experiences.
- Optimized performance and responsiveness across devices.

Cookies Store Website

Feb-2026

- Developed a complete e-commerce website using JavaScript and Tailwind CSS.
- Implemented product listings, filtering, shopping cart functionality, and responsive layouts.
- Enhanced user experience through clean UI design and optimized interactions.

NTI Graduation Project - E-Commerce Platform

Dec-2025

- Developed a full-featured e-commerce platform using HTML, CSS3, JavaScript
- Built reusable components following modern Front-End development practices.
- Implemented product search, filtering, and responsive layouts.
- Collaborated using Git and GitHub in a team development environment.
- Focused on performance optimization and user-friendly design.

VOLUNTEERING

Enactus Damanhour

2023 - 2025

Head of Marketing

- Led a team of 20+ members to develop branding strategies for social projects.
- Facilitated workshops on visual communication and project management.
